# Rising Titans Academy 2018

Students:

## Richards Middle School

We welcome you to Richards Middle School. You are about to begin a wondrous adventure in your education. At RMS, we are committed to excellence in academics and social development. Middle School is a unique time of changes and opportunities.

Rising Titans Academy will lessen your fears and anxieties about entering middle school. You will become familiar with our building, our curriculum, as well as our academic and social expectations.

This summer we invite all RMS Rising Titans to join in the excitement of our Summer Academy. You will spend three interactive, fun-filled days in the footsteps of an RMS 6th grader. You will meet some of your 6th grade teachers and administrators. You will begin building new friendships. You will actively participate in activities that translate learning into

**FUN!**

Parents:

RMS Rising Titans Academy is structured to expose each student to his or her academic subjects with engaging hands-on activities. Emphasis will be placed on the Middle School Experience.

### Explore Mathematics

- Math Concepts
